

# WHICH COMICBASE IS RIGHT FOR YOU?

ComicBase FREE is our free edition that's sure to please. It features our built-in database of over 325,000 comics and handles collections of up to 500 comics. Need more? Upgrading is easy!

If you're a budget-conscious collector, you'll love ComicBase Express. You'll get listings and current prices for each issue in the database, over 5,000 full-color comic cover images, as well as one year of free, downloadable, issue and price updates to keep you on top of market trends and new releases.

Power users can step up to ComicBase Pro, with expanded content including storylines and creator credits, as well as advanced features such as customizable fields, price history graphs for each issue, and Palm/Pocket PC handheld support.

For collectors who want the very best, the amazing ComicBase Archive Edition comes complete with all the features of ComicBase Pro plus an astonishing 185,000 regular and high-definition comic covers on 3-DVDs, along with exclusive creator interviews, CGC census information, and more!
